

BC Sawmill Rate Determination Program Rate Revision Application Form

Instructions for Completing This Request for Rate Revision

Management and/or the Union must complete both this Application Form and the accompanying Benchmark Comparison Study Sheet at the plant level. When completed, forward copies of the document set to the USW D3 office in Burnaby and FIR office in Vancouver for processing.

These two (2) documents are represent a document set and applications submitted with single documents will be deemed incomplete and rejected. Be sure there are a Rate Revision Application Form and a Benchmark Comparison Study Sheet for each application for rate revision.

All applications must be based on a comparable benchmark category. Be sure the comparable benchmark category on this form and the Benchmark Comparison Study Sheet are the same.

Applicable Benchmark Category:
Twin Sorter Stacker Operator
